TAO GEOMANCY

PRACTITIONER CERTIFICATION COURSE

APRIL 13 - 19, 2020

BREGENZERWALD, AUSTRIA

LANDHOTEL HIRSCHEN

TAO GEOMANCY is the ancient Chinese art and science of harmonizing Earth energies and our relationship with the Spirit world using spiritual and energetic techniques. It is an esoteric branch of Feng Shui which is not commonly taught in the Western world. In this course, you will receive spiritual activations, as well as personal instruction, which will enable you to identify and transform various types of geopathic stress, harmonize unhealthy earth energies, and create high vitality environments for both home and business. This course will enable you to offer basic Tao Geomancy services to your own clients.

Course includes:

- Theory and practice of advanced dowsing to detect and measure the subtle energy fields of the human body and Earth.
- Identifying and harmonizing ley lines, earthquake fault lines, geomagnetic anomalies, burial sites, Hartmann and Curry lines.
- Neutralizing the effects of flowing underground water and stagnant black streams.
- Sick building syndrome, Bau Biologie, and building according to Feng Shui principles.
- A 100 page workbook with a comprehensive check list of over 100 items to evaluate when you visit a site.
- Activation of the pineal gland and kundalini energy to enhance spiritual vision, control spirits, create power spots
- Daily practice of new techniques and short field trips to experience various Earth energies.
- Upon the successful completion of the course, you will receive a diploma and the title of "Tao Geomantie Consultant".
